

# Chiropractic Education in an Era of Digital Natives and Digital Immigrants: How to make the Successful Transition to 21st Century Technology

Brown Bag Presentation presented by  
Glori Hinck, RD, MS, DC  
Tom Bergmann, BS, DC.

# **WFC/ACC Education Conference**

**November 10-11, 2008  
Beijing, China**

# World Federation of Chiropractic (WFC)

- Has national associations of chiropractors in 88 countries as its voting members, and represents them and the chiropractic profession internationally.
  - The WFC has been a non-governmental organization in official relations with the World Health Organization (WHO) since 1997, and collaborates with many similar associations representing other healthcare professions.

# The WFC/ACC Education Conference

- Meeting for over 100 educational leaders and executives from 29 chiropractic colleges in 11 countries.
- Review new and emerging web-based and other teaching aids and technologies
- How they can be used to enhance chiropractic education and continuing education.
