***Faculty Seminar Dates have changed!!!***

After reconsideration per the request of the Faculty Senate, the Academic Council agreed to change the Faculty Seminar dates to be at the end of each term, rather than prior to the start to each term.

The date for the next Faculty Seminar is Wednesday, April 16, 2003. The topic will be related to learning styles, multiple intelligences and accelerated learning strategies. The speaker will be Marla Amborn from the Center for Engaged Learning. The seminar will focus on practical applications for the classroom.

Advance registration will be required to allow for planning. Please see further details on the CTLA web site next week.

***"Brown Bag" Presentations***

"Super Power point" is scheduled for April 3, 2003 from noon to 1PM in Room 25 [the IT lab]. Registration is still open for 5 lucky people. Learn how to take your presentations to the next level.

Drs. Amundson and Bergmann will be conducting the session. Please e-mail Dr. Noni Threinen if you would like to attend.

"Talking NINE to FIVE" video on communication styles in the workplace will be scheduled sometime in the next term. April 1<sup>st</sup> is scheduled as a Diversity Day and we did not want to have the video scheduled at the same time.
