

PARKING REGULATIONS

Winter 2010

As a student you will be able to purchase a parking sticker (\$10 for your entire stay at NWHSU) which must be displayed at all times when using the University parking facilities. These stickers must be displayed on the left rear window of your car. Please park only in authorized spaces or you will be subject to a fine of \$10 or \$20.

Student parking lots are located on the East, Southeast, and West sides of our main building. Please pay attention to specially marked areas such as visitor, patient, faculty/staff and handicapped parking, as these are reserved. Parking in these areas will result in being ticketed and a fine. Do not park in the fire lanes (yellow curbs) as these will result in, not only a University ticket, but also a Bloomington City ticket (with much higher fines).

Please do not park in the neighborhood, especially north of the University. Homeowners in the neighborhood would like to have the street to park their family and friends. This is a matter of respect and professionalism. Remember that now that you are part of a profession, everything that you do will reflect upon everyone else in your profession.

Thank you for cooperating with these regulations. We appreciate it.
