Dear _____,
(Speaker Name)

We are pleased that you are able to come to Northwestern Health Sciences University to speak to our students. We have many active student organizations on campus, and we support their ability to invite a diverse group of speakers each trimester.

The purpose of this correspondence is to inform you of a few policies in our Student Handbook that govern student organizations in relation to speakers and events.

1. The sponsorship or invitation of guest speakers does not necessarily imply approval or endorsement, either by the sponsoring group or the university, of the views expressed.
2. Speakers are not allowed to sell products or market services on campus or during speaking engagements without express written approval from the Dean of Students.
3. While we welcome the expression of a variety of philosophical viewpoints, we assume that nothing will be stated that criticizes Northwestern Health Sciences University, its model of health care, or its curricula.
4. Northwestern reserves the right to request that speakers or events are videotaped. Recordings will only be used for educational purposes and will be available for check-out in the NWHSU Library. Please sign the waiver on the back of this letter.

If you have any questions regarding the above policies, please feel free to contact me directly at 952-887-1381.

Thank you,

Emily J. Tweed, Ph.D.
