Lisa (Clarice) Baker, OTR, CIMI, CMT, NCTMB, CCAP has over 30 years of pediatric and adult hospital-based experience in occupational therapy services, program development for infant massage instruction, and provision of massage therapy and bodywork services. She has certifications and training in infant massage instruction, pre and Perinatal massage therapeutic massage and bodywork, myofascial massage, and craniosacral therapy. She also has certifications in neurodevelopment therapy, sensory integration, aromatherapy, and feng shui. Lisa has provided infant massage, infant massage instruction, massage therapy, and aromatherapy services to inpatients, outpatients and employees of Children’s Hospitals and Clinics in Minneapolis and St. Paul Minnesota. She currently is lead therapist in the Integrative Health and Healing Department of United Hospital in St. Paul. She completed massage programs at Sister R. Gefre’s School of Professional Massage and the Minneapolis School of Massage, and received a bachelor’s degree in occupational therapy from the University of Wisconsin. Faculty positions have been held at Globe College and Northwestern Health Sciences University. She also has a private practice in integrative therapies. She has lectured locally and nationally on pediatric integrative medicine services and teaches clinical aromatherapy as well as a certification class in clinical aromatherapy to health professionals and touch therapy techniques to health professionals. She has taken part in consultation to medical institutions concerning aromatherapy research projects and has contributed to publications and a PBS televised program on aspects of massage.

Clinical Aromatherapy for Health Professionals
On Campus, May 10-11, 2008!

On Campus, Bloomington, MN
Module #1: May 10-11, 2008
$375 for practitioners;
$275 for students

16 contact hours and endorsed by AHNA for 1.6 CEU per module
Who Should Attend?
This evidence-based course is suitable for massage therapists, acupuncturists, chiropractors, nurses, physicians, physical therapists, counselors, other health professionals, and current students of any of these disciplines.

Course Outline:
Divided into 4 modules over 12 months, each 16-hour module is scheduled on Saturday and Sunday from 8:30 a.m. to 5:30 p.m. with a one hour lunch on your own. You will be provided with medicinal strength essential oils for module one. Optional kit is purchased for case studies.

Module 1: May 10-11, 2008
You will be introduced to the core concepts of clinical aromatherapy with an emphasis on its place within healthcare.

Outcomes:
- Discover how modern aromatherapy was developed
- Differentiate four types of aromatherapy
- Learn to extract essential oils
- Learn to apply essential oils
- Find out about the anatomy and physiology of smell and touch
- Learn safety guidelines of essential oils in clinical use
- Differentiate allergic and irritation reactions and how to patch test with essential oils
- Test for essential oil purity

- Identify clinical uses and properties of nine essential oils.

Here is a brief summary of the topics covered in future modules:

Module 2: Learn the use of essential oils for infection and stress control within a nursing/healthcare framework.

Module 3: Become familiar with the chemistry of essential oils. Participate in the tutorial on the exam project.

Module 4: Learn how essential oils can treat women’s health, chronic pain, cancer and AIDS. Gain knowledge of the policies and protocols of integration. Prepare for the exam and do the second tutorial on exam project.

Certification exam consists of two parts: written paper and presentation of project. The results are externally assessed. Successful completion of both parts is required for certification as a Certified Clinical Aromatherapy Practitioner (CCAP). Each participant must also complete 33 case studies. For more information visit www.rjbuckle.com

Educational Alliances/Approvals:
25 CE’s are awarded through the AACN for Nurses and 16 contact hours through NCBTMB. Endorsed by the American Holistic Nurses Association. Visit www.rjbuckle.com for alliance discounts.
