

StraighterLine Description for Partner School Website

As a partner of Northwestern Health Sciences University, [StraighterLine](#) offers an alternative way for you to take required general education courses. These low-cost, online courses can be easily transferred back to our institution to count toward your degree. StraighterLine courses allow you to go at your own pace with the flexibility to complete the course work anywhere, anytime, and on your schedule. All StraighterLine courses are reviewed and recommended for credit by the American Council of Education (ACE).

How It Works:

- Visit Northwestern Health Sciences University's partner page on [StraighterLine.com](#) to view course equivalency descriptions and register for the course(s) you need
- All StraighterLine courses include eTextbooks, 24/7 on-demand tutoring, and live student support 7 days a week
- Upon successful course completion, you are immediately prompted to send a transcript to our institution (no fee for transcript delivery)
