### **IMPORTANT**

**The Office of Admissions maintains a *FREE* property listing service designated for the sole purpose of assisting students in finding housing.** The University advises students to enter into agreements with caution, making sure to do screening and reference checks. The University is not a party to, nor does it have any liability with respect to lease agreements between a student and a property owner / representative.

The University strongly recommends that students do a sufficient investigation into the rental choices. It is recommended that students request references and inspect the premises. This will help determine which is the best value, has the most reasonable living conditions, and has an atmosphere that will enhance full-time student responsibilities.

The City of Bloomington requires licenses for all rental housing. Northwestern Health Sciences University does not verify housing licenses for properties listed in this housing newsletter. The license should be posted on the premises and up to date.

The University reserves the right to post, not post, and/or edit ads that have been documented as undesirable student housing conditions.

The housing newsletter can be found online at: <https://www.nwhealth.edu/student-affairs/housing/>

\*Please be advised that The University is not a party to, nor does it have any liability with respect to lease agreements. Any agreements made are the responsibility of the student and property owner/representative. All listings that should be added, removed, or updated must be updated monthly via our [Post a Housing Advertisement](#) form or will be removed 30 days after the original posting.
